The table below shows for the period ending June 30, 2025 and indicators of the Group's operations by admission and outpatient services for the periods (as shown in the table) from April 1, 2025 to June 30, 2025 in the same period of the same period in 2024:

	Three months from April 1 to June 30,		
	2025	2024	Year-on-year change
Inpatients			
Number of inpatient bed-days	947,211	955,373	-0.9%
Average inpatient sending rate per bed-day on admission and outpatient services (RMB)	286	322	-11.2%
Average inpatient sending rate per bed-day on inpatient services (RMB)	46	48	-4.2%
Total average inpatient spending per bed-day (RMB) ⁽¹⁾	332	370	-10.3%
Outpatients ⁽²⁾			
Number of outpatient visits	174,189	122,168	42.6%
Average outpatient sending rate per visit on admission and outpatient services (RMB)	79	139	-43.2%
Average outpatient sending rate per visit on inpatient services (RMB)	196	298	-34.2%
Total average outpatient spending per visit (RMB)	275	437	-37.1%

Notes:

- The above average inpatient sending rate per bed-day is determined based on the Company's bills for services provided to patients, which are calculated in accordance with the medical insurance reimbursement rates and the Company's reimbursement for some medical services provided.
- The significant increases in outpatient visits and significant decrease in the number of inpatient services provided during the period are due to: (i) a decrease in the number of inpatient services provided through the Company's inpatient services; and (ii) an increase in the number of outpatient services provided.

The above indicators and indicators are based on the Company's records and are not necessarily identical to the Company's records. The indicators and indicators may differ from those disclosed in the annual and quarterly reports. The indicators and indicators disclosed in the annual and quarterly reports will differ if there is a discrepancy.

Shareholders and potential investors of the Company are reminded to rationally deal with any information not officially released by the Company, and shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.
